

PARTITION SYSTEM

PARALLEL 25

A contemporary partition solution that combines aesthetic appeal with durability and acoustic performance. Designed to enhance interior spaces with minimal footprint and maximum efficiency.

Available in different finishes – Anodizing, Powder Coating, PVDF and Wooden Finish.
Available in silver and black shade. Custom shades available on demand.

Key Features

- **Slim Profile:** 25mm track for a minimal and elegant look.
- **Versatile Compatibility:** Supports 10mm / 12mm toughened glass and 10.52mm / 12.52mm laminated glass.
- **Flush Door Integration:** Compatible with 35mm flush doors, ensuring a seamless design.
- **Customizable Heights:** Partitions can be built up to 3000mm, making it ideal for various spatial needs.
- **Single Glazed System:** Provides a transparent and open look while maintaining structural integrity.
- **Acoustic Performance:** Offers 28 – 32 dB sound insulation, enhancing privacy and noise reduction.

Ideal Applications

- Corporate offices, co-working spaces, and commercial environments where a slim yet sturdy partitioning solution is required
